

Poeessa Thematic Events Creation & Management

What does Poeessa do?

Poeessa undertakes planning, production, organization and implementation of public or private, indoor or outdoor events of any structure or size, according to your wishes and budget.

Specializes on living history events and is the inspirator and founder of Rhodes Medieval Festival.

www.medievalfestival.gr

Why choose us?

The innovation, ingenuity and interactivity of our events make them really special and unique. Inspired of history, tradition, myths or other themes, our events demonstrate high quality and aesthetics. Costumes and decoration set up a combination which gives them a particular character.

We collaborate closely with you in order to comprehend and propose the right theme for your event that will set off the profile of your business or your personality.

We take over all kinds of projects with professionalism, responsibility, flexibility and detail orientation because the Success of your events is our Success!
